## Dear Friends and Customers

Thank You for your support for the past year as it is coming towards our first anniversary. I also want to take the opportunity to thank all friends and customers by attending and supporting us at the biggest Onion Bhaji and Fishnight.

Head Chef Soyl Miah in Brainwave charity night

On the night of the 21st September at the Cardamon Cuisine we raised £1865.00 for the Brainwave Charity. We have also introduced healthy dishes to our menu.

Mr Miah said:

*"Our mission is to provide you with the most stylish and comfortable dining environment, where high quality Indian cuisine made in the traditional way, will be served. "Classical Indian tradition will be served, and only natural ingredients incorporating fresh herbs and spices will be used in the preparation of our dishes. "So experience food as it was meant to be, free from all artificial additives and preservatives. "Our Indian hospitality will be extended to every visitor to Cardamon, where we will ensure that you, your family and your friends thoroughly enjoy spending time with us. "Cardamon is designed to be authentic, friendly, informal and, in many ways, fun."*

Head Chef Soyl Miah has over 25 years of experience in the restaurant industry. He won a curry chef award in 2005, and the stunning quality of his food keeps customers coming back time and time again. The excellent service at the Indian restaurant is another huge plus point, with all the staff being qualified at NVQ Level 2. And although the food is 'top of the range', the prices certainly are not. The London Road restaurant, which opened last July, prides itself on giving its customers value for money, with the superb Sunday Indian Tally offer of any main course off the a la carte menu plus a starter of mixed vegetables or Tandoori mix, pilau rice and a side order of Bombay potatoes for just £5.95 per person being a case in point.
